

# STYLISH FLIP FLOPS!

Take a  
plain old pair  
of flip flops and  
make them fun and  
unique with this  
easy technique!

**You need:**

★ A pair of flip flops

★ Ribbons in different colours (between 5 and 10 mm wide)

★ Fabric  
★ Scissors

**1** Cut the **fabric** into strips that are 10 cm long and 1.5 cm wide. Cut the ribbon into 10 cm lengths too.

**3** Next, alternating between **fabric** and **ribbon**, tie strips to both sides of the flip flop, leaving about 6 cm clear at the end.

"Create different styles by varying the colours of the flip flops and the fabrics!"

**Psst!** You don't need to buy fabric for this project. Ask your parents to look for any old shirts or other clothing you could use.

**2** Tie 3 **ribbons** in the centre.

**4** Carefully cut each piece of fabric to adjust the length to your liking.
